

Lesson Plan – David Lewis – 6th Grade Geography

Week of: 1/05/2015 – 1/09/2015

Purpose: **Blue** and **Red:** Students will learn about the countries of North America.

Green: Students will learn about the U.S. States and Canadian Provinces

Daily Routine: During the first 10-15 minutes of class, students complete a JumpStart activity that reviews previous learning or introduces new topics or concepts. At times this may be a short video introducing or reinforcing current material.

Schedule: Subject to change due to schedule changes or student mastery of skills.

	Objective	Activities	Materials	Assessment	Assignment
Monday Day 2	Students will learn about the countries of North America by conducting Internet research and creating a web page on a country of their choice	<ul style="list-style-type: none"> ☺ Introduce students to using a wikispaces page. ☺ Assign small groups ☺ Students agree on a country to research 	☺ Laptop computers	<ul style="list-style-type: none"> ☺ Discussion ☺ Observation 	☺ Post team members names on the Website
